DESCRIBE WHERE AND HOW METER IS TO BE USED: _____

I understand that failure to maintain a current account with the City of Baytown in accordance with City Ordinance Article IV. Section 31-58, will result in termination of my water service. I further understand that any amount due to the City of Baytown for water service, failure to return the meter or fittings, or damage incurred to the meter or fittings while in my possession, will be deducted from my deposit and I will be responsible for all charges covered by the deposit.
