ITEM

Consider an ordinance authorizing Supplements to Section 212 Agreement with Enterprise Products Operating, LLC, for Frac X Property, Frac XI Property and ISOM/DIB II Property and removing such properties from Industrial District No. 2.

PREFACE

This proposed ordinance authorizes Supplements to Section 212 Agreement (the "Agreement") with Enterprise Products Operating, LLC ("EPOLLC"), for Frac X Property, Frac XI Property and ISOM/DIB II Property and removes such properties from Industrial District No. 2.

The Agreement with EPOLLC requires EPOLLC to add property to the Agreement prior to or within a reasonable time following commencement of construction of buildings, industrial plants or other structures on property within the City's extraterritorial jurisdiction and not subject to the Agreement. To do so, EPOLLC must give the City notice of commencement of such construction and provide supplements for the parties to execute. On or about December 11, 2019, the City received notices and supplements for the following properties:

1. Frac X Property, being 18.935 acres in the Hannah Nash Survey, Abstract Number 20, Chambers county, Texas;
2. Frac XI Property, being 24.569 acres in the Hannah Nash Survey, Abstract Number 20, Chambers county, Texas; and
3. SOM/DIB II Property, being 10.415 acres in the Hannah Nash Survey, Abstract Number 20, Chambers county, Texas.

Additionally, at the time a Supplement for added property is executed, the City is required to remove any industrial district designation from such property. Therefore, this ordinance also removes the above-referenced property from Industrial District No. 2.
